WECOME ADDRESS BY THE PRESIDENT

Mrs. Dada Patience Osiah

Chairman of the occasion, guest of honor, chiefs, invited guests and members of UWORS, On behalf of UWORS, I welcome you with great joy and humility to the Inaugural celebration of UWORS. I am happy to see you and all the lovely ladies present in this hall today. You made my day as I look around the hall and see all the shining faces sitting together as our honorable guests. You are indeed very welcome to this great occasion.

I thank Almighty God, who made it possible for us to gather here today after many years of hard work.

Our theme is, Postpartum Depression and Mental Health Amongst Women and Children. Some of us have

experienced postpartum depression while others have not. Others suffered through it without even realizing what they were experiencing. In any case, it is safe to say you may know someone who has gone through it.

We invite you to join us in bringing awareness to the general public about the issue of postpartum depression in our society. For those of you who are from Nigeria or understand health issues in Nigeria, you will agree that we must tackle this problem affecting women in Nigerian society.

UWORS have decided to make a difference in this area by accepting the challenge to bring awareness to this issue. We are committed to raising the required funds needed to support and provide health care services for women suffering from this condition.

We are soliciting for your contribution in helping us achieve our goal. We would appreciate your contribution towards this cause.

As the President of UWORS, on behalf of my humble self and all members of our organization, lextend our collective thanks and appreciation to all of you.

Sincerely,

Mrs. Dada Patience Osiah

NIGERIAN NATIONAL ANTHEM

Arise, O compatriots, Nigeria's call obey
To serve our fatherland
With love and strength and faith
The labor of our heroes past
Shall never be in vain
To serve with heart and might
One nation bound in freedom, peace and unity.

NATIONAL PLEDGE

I pledge to Nigeria my country
To be faithful, loyal and honest
To serve Nigeria with all my strength
To defend her unity and uphold her honor and glory
So help me God.

AMERICAN NATIONAL ANTHEM THE STAR-SPANGLED BANNER

O! say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming.
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched were so gallantly streaming.
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
O! say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

On the shore, dimly seen through the mists of the deep, Where the foe's haughty host in dread silence reposes, What is that which the breeze, o'er the towering steep, As it fitfully blows, half conceals, half discloses? Now it catches the gleam of the morning's first beam, In full glory reflected now shines in the stream: 'Tis the star-spangled banner! Oh long may it wave O'er the land of the free and the home of the brave.
